

Mayfair Specialist Courses: Finance for Non-Finance Managers

Welcome to Mayfair Training

*"To **connect** organisations and individuals to professional certified training solutions"*

Mayfair Professional Academy (MPA) is the body established to meet our vision. MPA offers three routes to certification:

- *Mayfair Certification*
 - *Mayfair Specialist Courses*
- *Business & Management Certification*
- *Professional Certification*

Each route has been specifically chosen to ensure that the diverse and wide needs of customers are met. Experience shows us that clients require outstanding academic programs, professional recognition and also bespoke customised solutions. All our solutions are focused on the knowledge and skills needed to perform in the real-world.

The challenges facing individuals and corporations are continually changing and we endeavour to focus on general management skills, business skills, and project management personal effectiveness with a focus on leading to Certification.

Mayfair Specialist Courses: Finance for Non-Finance Managers

Module Overview

This programme is part of a Specialist Provision at Mayfair Training. This programme forms part of a series of courses suitable for Employees, professionals working in this field. The programme is delivered by an experienced practitioner, who has worked, trained and helped corporation and banks to create better understanding in practices and systems.

Objectives

In today's business world, even non-finance executives are often called upon to make quick and accurate decisions about financial issues. The higher you rise in an organization, the more important financial skills become.

Finance for Non-Finance Executives is designed to provide participants with an understanding of financial management principles and equip them with the practical skills to develop informed and effective financial plans. They will learn business critical skills in analyzing financial statements, applied corporate finance, understand key financial indicators better, strategic management and the financial planning process.

The workshop will enable them to contribute to discussions about the financial performance of your organization or business unit and will give you the confidence to make decisions based on financial data.

Target

- Professional with management experience
- Graduates with entry level experience
- Engineers, Administration and other professionals
- Knowledge of mathematics
