[Creating a Professional global platform to network professionals]

Mayfair Training (MT) has established a unique collaboration of strategic partners to assist in the delivery of training programmes (professional & academic). These will provide a high quality service to clients. Our programmes are approved & registered by our UK academic board, within the "Mayfair Professional Academy".

So, why not become an "Approved Agent" in a designated region? Each Approved Agent will promote, market and help deliver trainings against our three routes (A-C) certification:

- ROUTE A** - Mayfair Certification (UK)
- ROUTE B** - Business & Management Certification
- ROUTE C** - Professional Certification

We are looking for:

- Training Companies or Schools or Universities
- Freelance professionals
- Professional Networkers
- Semi- Retired Professionals
- Home workers
- Professional Trainer (self employed)

The role of an AA, is to promote our Trainings and guide them (with our support and development) to become a "Mayfair Professional Academy", in their local city or country.

Approved Agents, work to agreed targets, manage their own time and contribute to a growing global network. Full support, guidance and training (where applicable) will be given. An AA, may be working full time and looking for an extra income !
