

## Mayfair Training Ltd

"Leading the way in world class training"

"...The Mayfair Group of companies has for over a decade provided bespoke solutions...now we want to change the way organisations train their staff"  
Amani Choudhry  
[President Mayfair Group]

"Business environments are challenging organisations to become increasingly collaborative and creative. Mayfair Training has specifically identified training courses which provide key learning opportunities to enhance and optimise human potential. Participants of the trainings will access traditional & professional programmes, but become integrated in an innovative solutions orientated environment."

Kully Kalon [Head of Global Business Strategy,  
Mayfair Training Ltd]

As a "Mayfair Professional Academy" you can offer British & US Qualifications. Over 20 Mayfair Certification Courses i.e. Shariah, Banking etc. Over 15 **MAYFAIR GREEN** courses. Professional programmes & Executive Coaching, including bespoke consultancy services.

## Become a Licensed "Mayfair Professional Academy"

Creating a Professional global platform to network professionals

Mayfair Training (MT) has established a unique collaboration of strategic partners to assist in the delivery of training programmes (professional & academic). These will provide a high quality service to clients. Our programmes are approved & registered by our UK academic board, within the "Mayfair Professional Academy".

So, why not apply for a local designated MPA License? Each MPA will offer one, two or all three routes (A-C) to certification:

- ROUTE A** - Mayfair Certification (UK)
- ROUTE B** - Business & Management Certification
- ROUTE C** - Professional Certification

Organisations can register\* and become licensed to deliver ROUTE A, B or C, or all three. Each License will be an Agreement that provides a clear development plan with support from the MT team, including opportunity for training the trainers and global MPA membership.

"Mayfair Professional Academy" (MPA) will continually build its provision to meet the growing expectations and requirements of clients. Developing specific customised and professionally validated or academically accredited programs.

Mayfair Training has developed the MPA structure to encourage greater networking, promote professionalism amongst all sectors, and assist organisational staff improvement, by providing customised trainings. Our USP is to create a "global MPA learning Network". Our vision "To connect organisations and individuals to professional certified training solutions"

We offer **Mayfair Certification**, customised to meet the needs of organisations & professionals to improve baseline skills. Other courses include Project Mgt, Leadership, Shariah, Banking, Islamic Financial Products, etc. **Business & Management Certification** Skills courses upgrade, and validated achievement i.e. Executive Management Courses, International Business courses & MAYFAIR GREEN. Delivering Sustainability & 15 Environment courses adapted to meet client needs. **Professional Certification** provide recognition of your competencies i.e. Prince 2, PMI, NLP, Exec Coaching etc.

We would welcome the opportunity to discuss your needs. [Email Us!](#)
